

CITY OF MOUNTAIN VIEW
RESOLUTION NO. 17046
SERIES 2005

Dated: 2/19/05 Wanda W. Day
Deputy City Clerk

A RESOLUTION DESIGNATING CITY OF SUNNYVALE COUNCILMEMBERS AS
THE LOCAL REDEVELOPMENT AUTHORITY FOR ONIZUKA AIR STATION

WHEREAS, the Cities of Mountain View and Sunnyvale have a long history of working cooperatively together on issues related to the future of NASA Ames Research Center, Moffett Federal Airfield, as well as the military agencies that reside at and near the airfield; and

WHEREAS, in January 1996, the two cities entered into a Moffett Field Joint Powers Agreement (JPA) to allow the two cities to, among various activities, coordinate planning efforts and provide for joint consideration of land use plans, policies and strategies relating to the potential transition of Moffett Federal Airfield from its Federal use to other uses; and

WHEREAS, in April 1997, the Moffett Field Committee of the Mountain View City Council was designated as the local redevelopment authority (LRA) for Onizuka Air Station to serve as the community point of contact for reuse activities associated with the closure of the military housing units operated by Onizuka Air Station; and

WHEREAS, in June 1997, the composition of the LRA was changed to be the same as the Mountain View/Sunnyvale JPA allowing for equal representation of both City Councils on the LRA in recognition that Onizuka Air Station was located within the City of Sunnyvale's sphere of influence and the City was interested in studying the potential reuse of some of Onizuka Air Station's infrastructure; and

WHEREAS, no realignment/closure/reuse activities associated with Onizuka Air Station are currently taking place in the City of Mountain View's sphere of influence; and

WHEREAS, because all of the reuse activities currently associated with the closure of the remaining functions at Onizuka Air Station will occur within the City of Sunnyvale's sphere of influence, it is appropriate to designate the City of Sunnyvale City Council as the LRA for Onizuka Air Station for these activities; and

WHEREAS, by taking this action, the underlying structure of the existing joint JPA/LRA is preserved and the City of Mountain View City Council reserves its right to resume active participation in the LRA in the future if it is determined that it serves the interest of the Mountain View community;

NOW, THEREFORE, BE IT RESOLVED that the City of Mountain View City Council designates City of Sunnyvale councilmembers as the local redevelopment authority for Onizuka Air Station.

BE IT FURTHER RESOLVED that by taking this action, the Mountain View City Council reserves its right to resume active participation in the LRA in the future if it is determined that it serves the interest of the Mountain View community.
